

2010 Recital Information

Thank you for your patience as we worked to finalize the recital details for this year. With the growth of our program this year, the details took longer to put together. As was posted earlier our recital has been pushed to June 11 and June 12th this year. This is due to Patterson Mill's addition of senior students to their school this year that added additional events to their school schedule. In addition we must work with Harford County Public School for scheduling. **NOTE: Dance classes will continue until the recital in June.**

Our recital theme this year is "Dancing Beyond The Sea"

This year we will have four shows during our recital weekend. The recital is held at Patterson Mill Middle/High School, located on 85 Patterson Mill Road. Bel Air, 21015

Please plan to allow approximately three hours for your recital plus 30 minutes for your arrival prior to the show. All dancers must stay for the entire show as medals and trophies are handed out at the finale. The dancers and instructors have and are working hard to provide you with a fantastic and enjoyable show. If the amount of time seems long to you, please take note, to put it into perspective; if your child plays, baseball / softball or soccer, the amount of time a parent spends at the field just for games, is well over 10 hours for the season! So your cooperation is appreciated in working with us to make the recital successful. More specific details located below the recital schedule.

Admission Fee: \$5.00 for adults.

All children 17 and under are free. Ordering information and form is posted on the website. **Click here.** Copy form, complete it and turn form into instructors with payment. Tickets will be handed out in May.

Are you attending more than one recital?

You only pay \$5.00 regardless the number of shows you attend.

The show breakdown is listed below. Please look for your class day, time and instructor.

NO FOOD OR DRINKS ALLOWED IN THE AUDITORIUM!

All siblings must remain in the auditorium or with a parent during the recital.

No one can be in the hallways or outside the building during the show.

It is very important that we follow these guidelines. We almost lost the privilege of using Joppatowne High School in the past after these directions were not followed by the audience.

I need your help to ensure that we can meet the requirements the school has set for us to use their facility.

*** Arrive in costume for your first number (see line up below)**

***Bring a brown bag with your name on it.**

When making a costume change put items right into the bag as you remove them.

*** Coloring books, cards, etc are good to bring for dancers to keep occupied until they go on stage. Water and non messy snacks okay for the cafeteria.**

*** All dancers must stay until the end of the recital**

- ✓ **End of Show: dancers will be taken back to the cafeteria after the finale. Please send only one parent or adult family member to the cafeteria to pick up dancer. DO NOT TAKE YOUR CHILD FROM THE STYou may come back in to get pictures on the**
